REPORT OF SUPERINTENDENT

To the Superintending School Committee and the Citizens
of the Shelburne School District:

Foreword

To the building of a stronger America, the schools of the Nation are dedicated. It is mandatory that we pronounce in a positive and unmistakable manner our belief in the American Way of Life. We must not let anyone forget that liberty involves and requires the highest degree of individual and group responsibility and sacrifice. We must bend our every effort to wipe out greed, bigotry, biased opinion, ignorance, intolerance, and all other evils that beset our democracy.

The part that the schools can play, in cooperation with the home and church, in the education of the coming generation is great. By patient processes of instruction and training they should seek to develop in the youth of the land those essential knowledges and skills and that devotion to our democratic way of life which makes for national strength and unity.

We want our schools to build character. We want our boys and girls to be honest, friendly, considerate, cooperative, and responsible. We want them to know the happiness to be derived from hard work as well as the joys of a profitably invested leisure.

School Bus

You might be interested in knowing how the cost of operating the bus under school district ownership has compared with having the transporting done by private contractor. The school district books reveal the fact that the entire cost from October 15, 1948, to October 15, 1949, was \$1,466.96. Transportation under private contract for the school year 1947-48 cost \$1,500.66. While the cost remained about the same, it was possible to eliminate double trips and provide better service.

Notes on the Budget

The School Board's total budget for 1950-51 is \$6,709.50 as compared with \$6,202.64 for last year. The requested appropriation for March, 1950, is \$556.50 more than the appropriation last March. Anticipated higher costs for tuition and salaries plus the allowance for painting the school bus, accounts for most of the difference.

School Calendar

It is proposed that the school board adopt the following school calendar for 1950-51.

First Term (73 days)

September 6, Wednesday, School Opens

November, 22, 23, 24, Thanksgiving Recess

December 20, Wednesday, School Closes

Second Term (34 days)

January 2, Tuesday, School Opens

February 16, Friday, School Closes

Third Term (39 days)

February 26, Monday, School Opens

March 23, Good Friday, Closed

April 20, School Closes

Fourth Term (34 days)

April 30, School Opens

May 30, Wednesday, Memorial Day, Closed

June 15, Friday, School Closes

School Year, 180 days.

Teacher

The teacher, this year, is Marie Daley. Mrs. Daley has been with us for the past four years.

Tuition

There are 13 from the district attending school in Gorham. Seven are in the elementary school and six in the high school.

The tuition rates at Gorham this year are \$75.00 for elementary and \$175.00 for high school.

Enrollment and Attendance

There are, at this writing, 14 enrolled in the school. This represents an increase of 5 from the same period a year ago.

The average attendance last year was 8.30. The percentage of attendance was 96.39%. There were 17 cases of tardiness.

Grades 1-6 are now attending the Shelburne school since grades 7-8 were assigned to Gorham in order to reduce the number of grades and allow more time for individual help.

Conclusion

The destiny of our country remains within our people. We must make education for peace realistic. The best education for peace will be that which provides our young people with a realistic understanding of the world and its people, teaches tolerance and good will toward the people of all lands, but at the same time maintains a firm determination that our nation shall join in a world wide effort to banish war from the earth.

I take this opportunity to again express my appreciation to the members of the school board, parents, teachers, and citizens for their support in our common effort to maintain good schools.

Respectfully submitted,

ALBERT P. KNIGHTLY
